Call 229-9366 to register your child in an available time slot.

Have fun, make a new (canine) friend, and improve your reading skills: Independent readers in grades 1-5 are invited to come to the library to read to a certified therapy dog, with the dog owner close by. Children can bring their own book or choose one from the library. Since there are a limited number of time slots, please check carefully that you will be able to come for the session you select and note it on your calendar. Please fill out the Registration Form and return it to the library.
